Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on February 5, 2007 has been entered.

It is noted that applicants had filed a petition to withdraw the instant application from issue to have the RCE and an IDS consider. That petition was granted on February 8, 2007.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: applicant's prior art submission of February 5, 2007 has been considered and is deemed to be no more relevant than the art currently of record. Reasons for allowance for the previously cited art of record can be found in the previous Notice of Allowability of September 22, 2006.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
